Have you completed the Shelby Humane Society Volunteer Application? YES NO  
(if not please do so, it can be downloaded from our website)

Do you have another person who will volunteer with you as a driving partner for a New England transport of SHS dogs?

YES: name: \_\_\_\_\_ relation: \_\_\_\_\_

NO: Can we give your name/email/telephone to other volunteers who also need a driving partner? YES NO

Have you driven long distances before? YES NO

Do you have concerns about your ability to make this trip? YES NO

If yes, what are your concerns? \_\_\_\_\_

You should plan on 4 days/3 nights minimum for the trip (you may extend at your own cost for 2 additional nights). As with any travel, there is a possibility that there could be an unexpected delay of some sort (weather, construction, etc). While it's certainly not something we expect, would a delay of return cause you any hardship? YES NO

Proposed travel dates (please provide at least 2 possibilities if you are able):

\_\_\_\_\_

Once we confirm van availability on above dates, we will contact receiving shelters to confirm that dates are acceptable. We will then confirm a planned trip with you.

Reminder: There are only 2 seats available for humans in the van, and owned doggies will need to wait for you at home. You'll have your hands full with the transport dogs.
