

# SHELTER PARTNERS DOG SPONSORSHIP

By sponsoring a dog for our Shelter Partners program, you have a unique opportunity to make a difference in the life of one Shelby Humane Society dog. Although the medical costs and the expense of care associated with each shelter animal varies, your \$50 donation to sponsor one dog will help Shelby Humane Society afford the costs associated with preparing your sponsored dog for adoption in New Hampshire.

Shelter Partners has only existed since November, but we have already sent one hundred and fifty-eight dogs to new homes at shelters and with families in New Hampshire. The new program moves pets from Shelby County, which is experiencing extreme animal overpopulation, to states where the success and enforcement of spay and neuter laws and pet licensing limit the number of pets available for adoption.

When you sponsor a dog for our Shelter Partners program, we will send you the dog's picture and any other information we know about it. We will also provide you with an update once we know the dog has found a new home in New England.

Individuals and families may serve as sponsors or may decide to give the sponsorship as a gift. If you choose to give a dog sponsorship, the recipient will be sent a card describing your gift and will receive the dog's picture and updates.
