

SHELTER PARTNERS SPONSORSHIP

By sponsoring a dog or an ENTIRE TRIP for our Shelter Partners program, you have a unique opportunity to make a difference in the life of one, or many, Shelby Humane Society dogs. Although the medical costs and the expense of care associated with each shelter animal varies, a \$50 donation to sponsor one dog will help Shelby Humane Society afford the costs associated with preparing your sponsored dog for adoption in New Hampshire. And for \$750, you can sponsor an entire trip! That is 30-40 dogs saved!

Shelter Partners has only existed since November 2006, but we have already sent over 3,800 dogs to new homes at shelters and with families in New Hampshire. The program moves pets from Shelby County, which is experiencing extreme animal overpopulation, to states where the success and enforcement of spay and neuter laws and pet licensing prevent the overwhelming stray populations we're experiencing in Alabama.

When you sponsor our Shelter Partners program, we will send you information we know about the dog you sponsor. All of the dogs we've sent to New England have been placed with loving families. Most are in their new homes within ten days of their arrival.

Individuals and families may serve as sponsors or may decide to give the sponsorship as a gift. If you choose to give a dog sponsorship, the recipient will be sent a card describing your gift and will receive the dog's picture and information about the dog.
